Chair Ha Nguyen: Mixed gender bathrooms

Wicklund: On behalf of Chair Mir Dec. 7th DLC is having a potluck in the dive

V. Appointments

a. Ethics Committee

O'Neil: Vierzba indicated interested, and I am nominating him to fill our opening on ethics.

Vierzba: joining the ethics committee is something I am very interested in, and I would do my best to be an active member of that committee.

Wicklund: Is the world black and white or gray? Is there a hard yes or hard no?

Vierzba: I think it depends on a case by case basis,

Wicklund: do you have prior experience with ethics work, and is there anything you have seen in our bylaws that you feel passionately about?

Vierzba: as a political science major I have experience with technical writing and I do have bylaws off the top of my mind that I want to work on.

Co-President Ngabirano: Discussion on Nomination

Asghar: He is the only one who wants to be on the ethics committee he reached out to O'Neil instead of O'Neil reaching out to people. I like him

Wicklund: I am also a Political science major and you cannot make it to senior year without dealing with ethics. I support him
