

## Minutes 11/19/18

- Attendance
- Approval of the minutes
- Community comment
- Committee update
  - Health and housing bhatka - water filler station sent out, trash chutes closed
  - Student academic affairs concepcion - emailed arb, cant open longer because rent space out, cannot do more tent raves because too expensive, carol coming to a meeting to talk about parking
- Old business
- New business
  - TPUSA budget
    - Controller Arshad explains budget
    - Discussion
      - Senator carlson sather - what is the point?
        - President wants to get an internship, make connections
      - Senator smerillo - can we only approve part of it?
        - yes
      - Senator conroy - seemed like it was for their own benefit
      - Senator derbani - agree with previous speaker, seemed like a private vacation
      - Diversity chair habib - did they talk about how it would benefit gustavus?
        - No, a little about connections
      - Senator smerillo - dont think we should support
      - Senator hannan - when decided by? Maybe table for a meeting when they can come
        - December 19
      - Senator jakes - just networking?
        - Yes basically
      - Speaker schugel - move to table this until a further meeting
        - Second to senator hannan
        - Vote to table discussion for next week
          - Passed
  - Dive proposal
    - Co-president ali ashgar - explains dive proposal and asks senators to talk to constituents about it
      - \$200,000
      - Senate and cab could pay portion of renovation (\$25,000) once for two years and then ask school to pay the rest
      - Ask students to pay \$50 and then go to president's cabinet
    - Co-president lamberty - helps with supporting details

- Want to hear what senators think and have them talk to constituents
  - Senator derbani - how long would renovations take
    - Depends, not this year
  - Advisor vanhecke - last time senate tried to do this, ask students with plans, exciting renovation, should maybe make a proposal before sending it out
  - Senator jorgenson - important renovation, maybe we could get alumni involved?
  - Senator smerillo - instead of renovation, change it completely
  - Senator ruiz - when would students be charged and how?
    - Next year, on tuition
  - Co-president ali asghar - do something to make it more attractive even if it is just to do homework, new furniture
  - Public relation chair allen - next cabinet meeting talk about it and then talk to constituents
  - Senator cook - at least two years for renovations because thats how long it will take to get money? If we paid now would they be able to start now?
    - Yes and yes
  - Senator conroy - thinks its going to take more than couches and stuff to get people excited
  - Technology chair o'neil - if everyone paid \$50 they would see the renovations
- Senator smerillo - how does senate change college policy? Thinking about the policy that opposite sexed people cannot be on your floor for first years
    - Depends on which part of the policy
  - Senator williamson - talking to constituents, we stopped doing yearbooks and we should do them
    - Charges student and academic affairs to talk to whoever they need to about getting yearbooks back
      - Second to senator hannan
    - Discussion
      - Senator smerillo - what would be in them?
        - Activities, orgs, seniors
      - Co-president ali ashgar - love it, lets do it
      - Diversity chair habib - same as previous speaker, new org? Or alumni office? And how would we pay for them?
      - Senator king - as a freshman why would we do this?
      - Advisor vanhecke - last time, alumni didnt want to pay people to work on it, students didnt want to buy it
      - Senator jakes - maybe we could do a survey? With ideas of what will be in yearbook
      - Senator williamson have SAA look at why they died and how we would get them back, you usually buy it when you're a senior

- Senator cook - have pictures of all different years
- Senator smerillo - like it
- Senator conroy - how much?
  - \$36
- Senator carlsonsather - how to do seniors logistically?
  - Submit pictures
- Senator ruiz - what class would this start with?
  - This years seniors
- Senator cook - easier to do just one year book each year
- Speaker schugel - move to call a question
  - Second to smerillo
- Vote to end discussion
  - Passes
- Vote on charge
  - passes
- Announcements
